## £23K Olympic cash for village

By ANDERS LARSSON

[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

MORE than £23,000 of Olympic legacy funding has found its way to Upton.

Upton Playing Fields Association has been granted £23,712 to equip a redundant portable building with changing, shower and refreshment facilities at Glebe Park.

The formal name of the source is Sport England's Inspired Facilities Fund, which is part of the £135 million Places People Play legacy programme.

Playing fields association secretary Richard Wells, said: "We are delighted to secure the grant."

"This will allow us at long last to provide our young sports people with decent changing and showering facilities to complement the quality of our coaching."

"They work hard on the cricket and football field and on

◆ NEIL Parish MP with the cheque and Upton villagers

the tennis courts.

"It's up to all of us to work just as hard for them behind the scenes."

"The improved facilities will be a cornerstone of our strategy to have outstanding sporting clubs to herald the 2012 Olympics and to mark their legacy."

"Local MP Neil Parish, said: "I

welcome the fantastic news that Upton Playing Fields Association is to receive the grant. 2012 will be a great year for Britain and a great year for sport in Devon."

Sport England chairman Richard Lewis added: "This investment will create a fantastic sporting legacy for Upton."

"This fund has really hit the mark with sports clubs in east Devon."

"It shows we're offering the legacy that people want for their local community."

"For hundreds of clubs and tens of thousands of people, 2012 will be the year their local sports facilities got better."

## A majority vote against complex poll

IT has been decided that a town poll should be taken regarding the Beehive Community Complex after a meeting at the town council offices in Honiton on Thursday, March 29th, despite the majority of those in attendance voting against the proposal.

One hundred and fifteen people attended, of whom 100 were Honiton residents. Sixty-eight voted against holding a town poll with only 23 voting in favour.

But this does not necessarily mean that a town poll will take place. Whilst getting a town poll underway only requires 10 votes at a council meeting, the final decision rests with the returning officer at East Devon District Council, Mark Williams, who has been forwarded the results of the meeting.

HTC has previously said: "The outcome of the poll is no more and no less than an expression of the views of the electorate of the parish who have voted in the poll and is not binding."

The question proposed for the town poll is: "Do you, the council payers of Honiton, wish the town council to proceed any further with the community centre project?"

# Haul of coins is detected by kids

By ANDERS LARSSON  
anderson@indienews.co.uk

THE haul of a metal detecting exercise has been showcased at Membury Primary School.

The school's parents, friends and teachers' association (PTFA) organised a metal detecting weekend on March 24th and 25th, attracting about 200 people.

Some of those involved visited the school on Friday, March 30th to show the pupils what they unearthed.

PTFA secretary Jakki Henderson said: "Local clubs and members of the community met on Bewley Down, near Membury, thanks to landowners Mr and Mrs Burroughs.

"This was 'virgin' territory for the clubs, but proved very fruitful with a hoard of James 1st

coins being found on the first day, along with jewellery from the Roman times.

The 'detectorists' were very excited about their unprecedented finds and plan to

come back. Money raised will be going into the PTFA funds for Membury Primary School."

◆ LANDOWNER Mark Burroughs and Ian James, chairman of Yeovil Metal Detectors Club, are pictured with some of the pupils, showing them the ancient silver coins they found

◆ ALTHOUGH they did not run, a group of women from Colyton and Seaton took part in the Sport Relief mile on Sunday, March 25th in Sidmouth, pushing prams. The going was good but bumpy for the yummy mummies as they took on the tough terrain of parkland at The Byes. The sun shone and cheers were heard as the five ladies and their babies crossed the finish line. Between them, they raised over £400 towards the national event. Pictured with their medals, from left, Kate and Oscar Williams, Kim and George Pritchard, Louise Pigott and Willum Satterly, Alix Renshaw and Jessica Hooper and Jenni and Myles Yeoman

## Charity cash

A GROUP of ladies in Kilmingston have raised £1,616.20 for Cancer Research UK at an event that took place at Kilmingston Village Hall on Saturday, March 17th.

It was the fourth year in succession that the ladies have raised over £1,000 through their Big Breakfast events, this year organised by Jenny Nickolls.

As well as cooking breakfasts the ladies also made cakes and jam that were sold at a stall. There was also a tombola.

Honorary secretary of the Axminster and District Committee for Cancer Research UK Janet Rowe commented that all those involved in raising funds for the charity were deserving of praise, for the money raised this year and over the past four years.

## Easter fun

AXE Valley Children's Centre will hold free Easter holiday fun activities for families with children under five.

The first one will take place in The Children's Centre in Foss Street, Seaton, on Tuesday April 10th from 10am-11.30am.

The second one will take place two days later, on Thursday, April 12th in Millway Community Centre. More information is available on 01297 20542.

## Boy trapped

A 16-MONTH-OLD boy was released, uninjured, by the fire service after he got his leg stuck in a staircase.

The appliance was mobilised by fire control to attend the incident at Axmouth, where the boy was released.

◆ THE Nunford Nutters Carnival Club in Colyton presented a cheque for £400 to Devon Air Ambulance. Club chairman Kevin Woodley is pictured handing the cheque to Don Hansford from the air ambulance. They and other members of the carnival club are pictured with the trophies that their carnival float won during the 2011 season

# 'Outstanding' Ofsted

SEATON Primary School has been awarded "Outstanding" status by Ofsted for the outstanding level of teaching pupils receive over time.

Her Majesty's Inspector David Edwards said: "Teaching is outstanding because teachers possess excellent subject knowledge, which allows them to plan astutely and set challenging tasks based on their systematic and accurate assessment of pupils' learning needs."

"The headteacher has successfully

built up a cohesive team of enthusiastic and highly inspirational professionals who demonstrate the ability to provide an outstanding learning experience for all pupils."

Seaton Primary received "Outstanding" in three of the four assessment criteria: achievement of pupils, quality of teaching as well as leadership and management. The behaviour and safety of pupils was deemed "Good", the second highest rank.

According to Mr Edwards, one comment in particular was largely

indicative of the parent's response to the care their children receive at the school.

It said: "My child has flourished in this caring, happy, organised and positive environment."

Headteacher Alan Simpson said: "I am delighted with this report, which provides a boost for everyone at the school. The governors, teachers, support staff and pupils at the school have worked very hard over the past few years to achieve this and deserve the accolade. The community can now be proud that they have an

outstanding local primary school.

"Ofsted may have raised the bar but we have worked continually to raise our standards and achievements even higher every year. We know that becoming an outstanding school is a great achievement but we want to embed this further in the next few years and improve even more."

"Every member of the school showed the inspectors that we are one in striving for excellence and achieving the best standards in all we do for the children. We look forward to the future with confidence."

## Town walks

COLYTON Parish History Society has announced the dates for its forthcoming programme of walks around the town.

Residents and visitors are welcome to join what is formally named Walking Discovery of Colyton (The Most Rebellious Town in Devon).

The guided walks are to be held on Thursdays, regardless of weather, with a 2pm start in the town car park.

Society member Colin Haynes said: "Lasting about an hour, it offers a chance to learn what's behind some walls."

"It ends with a look at our most historic building — St Andrew's Church with its Saxon origins and fine octagonal lantern tower."

Booking is not required but a minimum donation of £2 applies (under 16s free).

At other times, organised guided walks for parties of ten or more (not on Thursdays) can be arranged by telephoning 01297 552514 or 01297 33406.

The dates for this year's programme of Thursday walks are as follows: April: 5th, 12th, 26th; May: 3rd, 17th, 31st; June: 7th, 21st; July: 5th, 19th, 26th; August: 2nd, 9th, 16th, 23rd, 30th; September: 6th, 20th.

## Charity exhibit

EAST Devon Artists for Charity is holding an Easter exhibition at Branscombe Village Hall from April 6th in aid of Sense, a charity for children and adults who are both deaf and blind.

Artist Alan Cotton will open the show on the evening of April 5th at 7.30pm. Tickets for the opening cost £6.50 and can be bought by phoning 01297 553980.

The exhibition will be open from 10am to 6pm. Entry is free for children and 50p for everyone else.

## Shelter was 'well alight'

SEATON'S shelter overlooking the beach on Castle Hill was reported to be on fire at around 11.50pm on Thursday, March 29th.

Appliances from Seaton and Colyton were the first to attend before a further appliance was requested from Axminster to help contain the blaze.

A fire service spokesperson said: "Upon arrival, fire crews confirmed one wooden seat shelter with a thatched roof was well alight.

"Fire crews attempted to remove the thatch to prevent further fire spreading to the wooden structure.

"The fire was extinguished by fire crews using three hosereel jets, two breathing apparatus wearers, a ladder for access and a drag fork to pull away fire damaged thatch."

As a result of the fire the shelter sustained significant damage and the thatched roof was completely destroyed.

The cause of the fire is still under investigation by both the fire service and the police.

Anyone who witnessed the incident should contact 101.

## Chimney fire

THE fire service received a report of a chimney fire at a thatched property at around 6.20pm on Saturday, March 31st in Gittisham, Honiton.

A fire service spokesperson said: "Once in attendance crews located a chimney fire involving a gas fire. Crews used a thermal imaging camera and chimney gear to combat the fire."

# College opens new buildings

AXE Valley Community College in Axminster has celebrated the opening of not just one, but two new campus facilities.

First out was the official opening of premises for the Special Educational Needs (SEN) Department on Tuesday, March 27th.

This includes two spacious classrooms, a meeting room and an office.

Douglas Hull and his wife Joy opened the premises, chosen because they run DRH Dyslexia Fund — which has helped to fund equipment at the SEN Department.

The two classrooms have been named after the Reverend Barry Swift and the Reverend Rosemary Humphrey, respectively, in recognition of their contributions to the community.

Mr Hull explained that he was caned for poor spelling, caused by his dyslexia, when a student at the college years ago.

Mr Hull also explained that he came into possession of the cane when a college study was cleared out and contents passed to the town's museum.

He said: "Haven't things changed? We don't beat children now, we give them computers."

The college is extremely grateful to the Hulls, and headteacher Martin Smith said: "We are

◆ MAYOR Andrew Moulding cutting the ribbon, observed by headteacher Martin Smith (left) and other college staff

delighted that we are able to provide excellent facilities for pupils with SEN in the college.

"The new accommodation is part of an ambitious plan to enable pupils with SEN to make excellent progress and overcome the barriers to learning, whatever they are."

The second opening saw county councillor Andrew Moulding declare the new R block open on Thursday, March 29th.

Originally part of the old primary school that was situated on the campus, this late nineteenth-century building has been through a £100,000 refurbishment programme.

A floor has been added to help create four high quality classrooms for sixth formers and

some upper school courses.

In addition there is new office space, toilets and a small kitchen area.

The purpose of the new R Block is to provide high-quality sixth form accommodation, support the development of enterprise-related learning for college pupils and those of other schools in east Devon.

Headteacher Smith commented: "We are committed to creating high quality accommodation across the college.

"The college has an ambitious three-year plan to develop the site, including increasing the size of the sixth form to accommodate increased numbers, creating larger IT rooms and fully refurbishing the music building."

## Youth worker grant

CHURCHES Together in Ottery St Mary has received a £25,000 share of Exeter Diocese's Million for Mission fund.

The money has been awarded so the area can employ a detached ecumenical youth worker to help engage with young people in and around Ottery St Mary.

Churches Together in Ottery aims to raise further funds to enable them to employ the youth community worker for the next five years.

Assistant curate of Ottery St Mary Parish Church, Revd Mac Dick said: "This is an opportunity to work alongside young people, especially those who are disadvantaged and on the fringes of society, outside of church and in their own environment.

"We are looking for an experienced youth worker to work with the young people of Ottery through working closely with The King's School and with young people around the town.

"We also hope that over time the youth worker will build up a support network within Ottery. We hope to appoint somebody around August this year."

Churches Together in Ottery is made up of the Anglican Parish Church, the Roman Catholic Church, the United Reformed Church, the Methodist Church, the Salvation Army and the New Life Church.

Anyone wanting further information or wishing to support the Churches Together project can contact Rev Mac Dick at macdick1@aol.com.

## Camera helps put out blaze

A SINGLE appliance from Axminster Fire Station attended reports of a chimney fire on Lyme Road, Axminster, at around 8.10pm on Saturday, March 31st.

Upon arrival the fire crew found a small fire involving a wood burner and used chimney gear and a thermal imaging camera to extinguish the fire.

# Best-selling author comes to Guildhall

By **ANDERS LARSSON**  
and **CHARLIE TRAYNOR**  
pulmans@tindlenews.co.uk

INTERNATIONAL best selling author Jodi Picoult came to Axminster on Thursday, March 29th to give a book reading to a packed Guildhall.

Organiser Chris Painton, who owns Archway Bookshop in Axminster with his wife Bee, told Pulman's View that over 300 tickets had been sold, one attendee driving 400 miles for the event.

Jodi came to Devon because of the research she had done for her most recent book, Lone Wolf, which involved meeting with Shaun Ellis at his Wolf Centre in Combe Martin.

Having spent time living with wild wolves in the Rocky Mountains, Shaun was the ideal candidate to teach Jodi about wolves' mentality.

Her publisher approached independent book stores in Devon about an event, and Archway Bookshop's proposal was accepted.

Prior to the event Mr Painton described it as "a mega event and a real coup."

After the event, he said: "It was a wonderful evening enjoyed by all."

Having introduced herself, Jodi went on to read from her book

◆ MAYOR of Axminster **Andrew Moulding**, Jodi Picoult and Chris Painton

saying: "I don't like to talk about my books, I like to let my characters do it for me."

When asked by a member of the audience what was most enjoyable about being a writer, Jodi responded that her favourite thing about being a writer was also her least favourite.

According to Jodi it is the access to her readership that modern technology allows, getting "to see and hear the faces and voices of the readers".

The downside of this being that the internet also allows faceless

individuals the opportunity to criticise her unjustly, she said that although she is a writer and a public figure, she is just as human as the rest of us.

Assembled fans also learned that Jodi's favourite of her own books was Second Glance and the difficulty she experienced when her novel My Sister's Keeper was made into a film.

As well as promoting Lone Wolf, Jodi also spoke of a collaborative work with her daughter called Between The Lines, the first book she has written for young adults

with one lucky 14-year-old being given a signed advance copy of the book.

Over the course of the evening the audience was treated to a wolf howling symphony from Jodi and volunteers from the audience, who were then rewarded for their efforts with cuddly wolf toys.

Following the reading and after signing books for the audience, which gathered en masse in the central aisle for the privilege, Jodi was back on the road to catch a flight to her next destination in Dublin, Ireland.

# Amy needs help for mercy mission

**COLYTON resident Amy Price is planning to volunteer in Zanzibar for four weeks with the charity One Heart Source but needs to raise £1,600 to make it happen.**

Amy grew up in Colyton and attended The Woodroffe School in Lyme Regis before going to the University of St Andrews, where she now studies medicine.

Amy said: "Zanzibar is a country faced by a crippling AIDS epidemic and it has devastating health statistics.

For example, their total expenditure on health per capita is only 68 dollars, as opposed to 3,123 dollars in the UK, and the life expectancy is only 53 years.

"Just providing basic healthcare information can make a big difference to people in such desperate circumstances. It can help them stay safe and break the vicious cycle of poverty and disease."

Amy hopes she will be able to go to Zanzibar at the end of June, where she will teach health education in schools and in the wider community.

While there she will also be living with local people in order to fully

integrate into the local community.

"This is something I feel really strongly about and I'm really looking forward to putting my all into it and trying to help," she added.

"Over the next couple of months I'm going through some intensive training about community health care and education, so I should be fully prepared for when I get there. I've also started learning Swahili."

One Heart Source is a charity that seeks to address the myriad problems facing women and children in places such as Zanzibar. Issues like disease, disparate education and homelessness.

More information about the charity can be found at [www.oneheartsource.org](http://www.oneheartsource.org).

All the money raised by Amy will be going to One Heart Source and you can donate using her page: [www.charitygiving.co.uk/amypriceforoh](http://www.charitygiving.co.uk/amypriceforoh), or by sending a cheque, made payable to One Heart Source, to 2A Murray Park, St Andrews, Fife, KY16 9AW.

When sending cheques, Amy asks that you write her name in the ledger line so that the money can be allocated to her fundraising account.

◆ A CHARITY which provides a free counselling service through Axminster Medical Practice has opened a shop in the town. As previously reported, ARC opened a charity shop in Chard Street on a three-month trial basis. The shop has traded since March 1st but the official opening took place on Saturday, March 24th in the presence of Axminster Mayor Andrew Moulding

## School open day

**A CONVERSION from toilet block to learning centre at Membury Primary School will be celebrated with an open day on Friday, April 20th, from 2.30pm.**

Parents, teachers, and friends' association secretary Jakki Henderson explained: "What was once a disused, outside toilet block has now been converted into a self-contained learning resource centre.

"This offers pupils and staff a modern and adaptable learning space away from the main building, overlooking the beautiful countryside which surrounds

the village of Membury.

"The project could not have been realised without the help and support of local residents at fundraising events throughout the year, and especially those individuals who have given freely of their professional skills.

"To say a big thank-you to everyone involved, the school is holding an opening ceremony at the school on Friday, April 20th, open to all.

"Membury residents who were once pupils at the school will be amazed to see the transformation.

"The school has launched a

competition locally to decide on a name for the new learning space and the winner will be announced at the celebration."

Pupils have been learning about wartime and local history this year, which was in evidence during World Book Day.

There were sightings of "evacuees" and "landgirls" around the village, and wartime songs and the air raid drill could be heard across the fields.

A repeat performance looks likely during the open day as the school will stage an exhibition on the wartime theme, with pupils and staff set to perform wartime songs.

## Police seek witnesses

**POLICE are appealing for witnesses to two offences committed in Seaton.**

A black Moulton bike, complete with rear carrier, was stolen from a cycle rack in Windsor Gardens, Seaton, between 5pm and 6.45pm on Wednesday, March 14th.

The crime reference number is KN/12/115.

A blue Citroen in Elizabeth Road, Seaton, had its side window smashed and windscreen cracked between 10pm on Friday, March 16th and 9.40am on Saturday, March 17th. Crime reference number is KN/12/119.

If you have any information on these incidents please contact the police on 101, quoting the relevant crime reference number.

## Booklet in town library

**A DRAFT version of Senior Council for Seaton and Area's activity booklet will be in the town hall and the library from Tuesday, April 2nd.**

Council member Joyce West said: "This is an opportunity for any group or club leader to check that all information in the booklet about their group is correct.

"The booklet will be removed after two weeks.

"It will then be sent to the printers and will be available to everyone, at no cost, as soon as printing is completed. It will be placed in various venues in the town."

## Axminster Art Society Presents its Spring Exhibition at The Trinity House Gallery in Axminster from 7th to 14th April

The gallery is in the Home-in-Style department and the exhibition is held during shop opening hours.

There is a wide range of paintings - watercolours, oils and acrylics, to name just a few.

Most will be for sale, some are framed paintings, others are folios that you can frame yourself.

There is also a wide range of exclusive greeting cards, competitively priced but designed by local artists - you cannot get these just anywhere.

No need to buy though. Browsers are very welcome and entry is free.

Bring the family - let the children play by adding to the BIG PICTURE in the middle of the room while you see whose work has gained an award or a commendation. Then you can all vote for *your* favourites.

Visitors are welcome to our monthly demonstration meetings and to our workshops.

Members of the Society will be in attendance throughout the exhibition to talk to you about these if you are interested.

Last year's exhibition - the middle space is to be used for a children's play table this year - let them be creative while you browse.

# Ann retires after 30 years

By **ANDERS LARSSON**

pulmans@tindlenews.co.uk

**COLLEAGUES gathered in the sunshine to give Ann Godwin a good send-off when she retired after nearly 30 years at Axe Valley Community College in Axminster.**

Her main role has been as part-time librarian, but she has supplemented her hours by also working as an administrator in other departments.

Her send-off was held at Axminster

Arts Café on Friday, March 23rd, and her college colleague Helga Hughes said: "Ann has been my colleague and right-hand woman in the library for 18 years.

"Between us we have seen many changes, including headships and new libraries – we have moved three times.

"Her knowledge of the library, its systems, processes and idiosyncrasies is endless and I shall find it very strange to have to work without her.

"We have been a great team.

"Ann has always been an extremely conscientious and hard-working person, loyally supporting those she works with and taking a genuine interest in the students.

"Living locally, she is recognised fondly by many of our ex-students who are now parents themselves, their own children attending the school.

"It is hard to imagine the library without Ann. She will be sorely missed, and everyone at the college wishes her a happy and fulfilled retirement."

## Firm donates tools for school to start work on new play park

**FENITON business C Plant Services supported its local community on Saturday, March 17th.**

The company donated tools and equipment for a day for parents of pupils at the village primary school to start work on its new play park.

The work done on the day was the initial stage of the build, preparing the ground and laying the foundations, but the school's

headteacher Colin Butler expects the entire project to take around six weeks.

Mr Butler said: "Getting the bobcats and tools for less than £500 meant we can get on with it. If we had to raise the full amount we would be looking at a year."

Mr Butler added that the donation from C Plant Services was "really great".

Phil Callard, owner of C Plant

Services at Fenny Bridges, said: "We loaned them the digger for the day and I think they were quoted for £10,000 but managed to do it for next to nothing, just the cost of the stone."

The school was initially quoted between £4,500 and £10,000 to build the play park but after contacting local businesses for support it managed to drastically decrease the cost.

## IS MY COMPUTER HEALTHY?

Written By Gareth White - The PC Doctor on Harbour Road, Seaton.

One of the questions we get asked everyday in our computer shop on Harbour Road in Seaton is, "Why should I bring my computer in for a health check by one of your qualified engineers?"

The answer is: Health, Performance and Safety.

**HEALTH:** Over time dust builds up clogging cooling fans which prevent your system from managing internal temperatures; this can accelerate how quickly the electronic circuitry degrades. If your computer or laptop is near a window, in a conservatory or in a room where condensation appears damp can also become a problem.

Your hardware could be showing signs of its degrading health and you may risk losing your data without even realising what is happening. By catching problems early it is often possible for us to prevent one component in your computer breaking others if it fails unexpectedly.

If your computer or laptop makes more noise than it used too, runs hotter, suddenly splutters or pauses it is definitely worth getting it checked out immediately by a qualified expert.

How much is your data worth to you? What would happen if you lost your documents, files or pictures?

Please ask us in store if you need our help creating and maintaining a backup of your important files?

**PERFORMANCE:** Is your computer as fast as it used to be? Is it as fast as you want it to be? Small software issues can build up over time and added together can make a huge difference as to how fast your computer runs. Without spending large sums on a new machine a step up in performance can often be achieved cheaply by increasing your systems memory or upgrading to a better processor chip.

**SAFETY:** Are there any Viruses, Spyware, Malware, Trojans or Key-Loggers on your machine that you don't even know you have? Is your computer patched from exploits to java, flash and PDF? Do you have current anti-virus, malware and spyware protection? Is your email scanned for infection before being delivered to your inbox? If not your system could be far more vulnerable than it should be!

If you have been using main stream security products like Norton or McAfee you could be more at risk than they lead you to believe. These products charge you to rent the software for a year, often saying you are safe, when you are in fact vulnerable to numerous un-patched exploits. We recommend the use of free security products including AVG, Spybot & Malware-bytes which don't expire leaving you vulnerable. They can save you hundreds of pounds over the life of your computer system whilst providing a greater amount of protection.

**FAMILY SAFETY:** Nobody wants young children or grandchildren to see indecent pop-ups when innocently browsing the web or doing homework. Children often click on things without reading them fully or understanding the implications that what they are doing could be dangerous. After a health check from the PC Doctor your entire family will be safer online.

At PC Doctor we operate on a No Fix - No Fee Basis, we only charge you for what we can do, never what we can't. All our work is fully guaranteed and we are insured to work in our premises and onsite at your home or business.

And finally, be wary of the un-qualified or un-insured kitchen cowboys you may find advertising computer repair services. At PC Doctor, our engineers have years of training, use proven techniques, and have access to specialist equipment & advanced tools only available to engineers with the correct qualifications.

## YOUR LETTER COULD WIN £10 VOUCHER

— As chosen by Pulman's View —

Taxis are available until at least midnight

**EDITOR** – Pete's Taxis in Seaton would like to confirm that, contrary to comments from Seaton Taxis in last week's paper, we always run every weekday until at least midnight and into the early hours on Fridays and Saturdays.

We also run a Sunday service up until midnight.

We have already received calls from existing customers regarding last week's article. They are confused by the fact that the article says that there is no service supplied after 10.30pm in Seaton when in reality there is and always has been.

We do not offer a 24-hour service because we have only six drivers and to offer this kind of service is not practical.

However, we are always happy to take airport runs etc for any time of day or night, which we have been doing for many years.

We would like to thank all our customers for their custom over the years and we will be providing the same professional service for the foreseeable future.

# Wanted: Information about Pulman family

**EDITOR** – I was born in New Zealand in September 1949, and given the name Stanley George Pulman.

I am researching the Pulman family history.

In doing so it always leads back to the Colyton, Ottery and Honiton areas.

It was in Honiton that two of my forebears died.

In 1892 the Pulman family — then consisting of three brothers — sailed to New Zealand.

My great great grandfather being Geo or George Pulman.

His son Stanley George was born

in Auckland, and my father Stanley Alexander was born in a small milling town, Rangataua, in the shadow of Mt Ruapehu in the central North Island.

My father, because of his occupation as a bush contractor, moved around a lot.

This meant that while I was in primary school I went to about 20 different schools.

I finished college in 1967 and became a letterpress printer, finishing my apprenticeship in 1970.

From this I moved on to working in the quarry industry, gaining my New Zealand qualifications.

I am also a Fellow of the Quarry

Institute.

These qualifications have seen me live and work in Papua New Guinea, Indonesia and Africa.

I currently reside in Queensland, Australia.

I would like to hear from any distant relations to help fill in the gaps of the Pulman Family.

■ **Editor's note:** The founder of *Pulman's Weekly News* was a George Philip Rigney Pulman, who was born in Axminster in 1819. He was an organist at Axminster parish church and wrote for local newspapers. In 1848 he acquired a printing and bookselling business in Crewkerne where he settled. For some years he was editor of the *Yeovil Times*, and then on March 10th 1857 he commenced publication of *Pulman's Weekly News*. His intention, he said, was to give news of the district and to provide a weekly newspaper adapted for family reading.

No time for replanting

**EDITOR** – In response to my letter a few weeks ago about the Chine in Seaton, I would like to thank all those who responded and I feel I should let everyone know the situation.

The timing of my letter coincided with the Bees and Butterflies programme on television so there were a lot of inspired wild-flower suggestions.

Otherwise, the suggestions were quite varied and ambitious.

However, for the moment, reality is rather more mundane.

East Devon District Council (EDDC) gardeners have cleared the brambles and anything dead, which is a great improvement, and I am very pleased.

However, Andrew Hancock is reluctant to clear the area but on the other hand tells me there is no time or money or manpower at the moment to consider replanting.

So any aspirations we may have in that direction are thwarted, but I do feel that anything planted there will have to be very tough.

Andrew Hancock seems to like the idea of a Chine Group of people prepared to look after the area but there first needs to be something to look after.

My email is Hilaryra@aol.com should anyone wish to contact me.

## Gulls, prepare to meet your maker

**EDITOR** - What a good idea to cull the seagulls.

Since Lyme Bay Holiday Park closed they're looking for new places to nest.

The noise at 6.15am is horrendous. The fights too are frightening.

The mess is all over walls that have just been painted for the summer, and cars are covered with their droppings.

Washing drying on the lines is covered in the mess and has to be washed again.

It's absolutely awful. Once the chicks are born you won't be able to walk about without being attacked. Bring on the cull!

## Honiton slimmers slim for summer and raise money for children

With over half of us saying we'd enjoy our summer holiday more if we were happier with our body\* a local slimming expert has revealed that April is the perfect time to kick off those weight loss plans. Starting on 10th April, Sharon Grove, Slimming World Consultant in Honiton, is holding a six week 'Slimmer Summerthon' after a survey found that more than half of us spoil our summer holidays before we've even packed our bikinis because we're self-conscious and worried about wearing a swimming costume in public or getting into the pool in front of others. Statistics show that over half of us will try to lose weight for the big summer holiday this year but somehow the motivation flags and we end up disappointedly packing the same super size shorts as last year. Slimmers who join the campaign are being encouraged to get sponsored to lose weight and, for the duration of the six weeks, Slimming World will donate £1/£1 for every 1lb group members lose as part of the slimathon – with all funds going to the NSPCC.

Sharon is inviting slimmers to bring friends and family along and get together to kick start their weight loss in time for sunnier weather. "We're encouraging people to get sponsored because we know that commitment and motivation are super-boosted once you go public with your intentions," says Sharon. "That's why we've come up with a Slimmer Summerthon. It will run for six weeks starting from 10th April. We're asking members to tell us where they'd like to be in six weeks' time and, whether that's half a stone lighter or a lot more confident, we'll be working together as a group to give them all the support they need to get there. It's possible to lose a stone or more over six weeks. So this summer we won't need to get to the beach feeling like we need to hide in the shade – we'll have all the confidence and motivation we need to get summer off to a great start!"

"And with the added incentive of raising money for such a good cause we're hoping that the campaign will help to give people in Honiton who would like to lose weight for summer the extra motivation they need to make a fresh start. Slimming World's great Food Optimising eating plan really is Extra Easy and members lose weight easily without ever going hungry. They still enjoy all their favourite meals (spaghetti bolognese, fish and chips, curry – you name it), all based on hearty healthy Slimming World recipes. Then each week in group we share more great food ideas and spur each other on for the next week. We've also got loads of ideas about how to get more active without having to pull on any Lycra or pay a fortune in gym fees. However much weight you have to lose you can make a big difference in six weeks by making long lasting changes that will transform your body, your health and your whole outlook and by raising money for the NSPCC by getting sponsored."

The Honiton Slimming World groups meet every Tuesday at 5.30pm & 7.30pm and every Wednesday at 9.30am & 11.30am at the Honiton Baptist Church Hall. Anyone who would like more information on the Slimmer Summerthon can call Sharon on 01404 41513 or 07963337178.

## Pulman's View from the churches

With NIGEL SPELLER

**WE hope it will be a Happy Easter for everyone.**

*The Rev Linda Chester, Methodist minister, writes:*

April – the month for New Life! Everywhere we look, there are delicate blossoms, spring flowers, fields full of sheep with their skipper lambs and the patchwork countryside splashed with fresh green shoots.

Nesting birds are singing their hearts out, and I've even seen brave souls swimming at Seaton.

The grey skies of winter are past and we take it for granted the bulbs will spring back into life, and summer will come.

What a difference it makes to feel the warmth of the sun and see a brilliant blue sky. These are nature's signs of hope and new life.

For Christians, Easter is the central focus of hope and new life. Like the first returning swallow, we know Easter will come.

However, the mystery and miracle we celebrate is not confined to a 2,000-year-old event in a distant land.

The message of Easter is a living hope; the crucifixion witnesses to the ultimate in sacrificial love. The resurrection is a beacon of hope for our lives today and in the future. There is far more to Easter than chocolate eggs and fluffy chicks. Happy Easter!

● As reported last week, Exeter Diocesan Synod met and voted on the Anglican Covenant designed to maintain and reinforce links between

Anglican Churches world-wide, but the proposal failed because of insufficient support across the English dioceses.

The synod also agreed changes in their structures and discussed finances. Included in the latter are grants to churches in east Devon to help with staff and work with young people.

There are elections of clergy and laity shortly to the Exeter Diocesan Synod for three years from August 1st.

Church of England schools are the biggest single source of education in UK, teaching a million pupils in 4,800 schools. Now plans are in hand to open 200 new schools to confront the growth of secularism over the next five years.

● Meanwhile, discussions are taking place about sharing aspects of school management across all schools.

● Amid these activities life at our churches goes on. At Honiton, the MU Day of Prayer is on Friday, April 6th. St Paul's Church holds its fun day on April 13th, from 10am to 3pm. Tickets from the parish office. At Seaton Parish Church there is a children's church service on Good Friday at 10.30am. On Saturday, April 21st it is the Freedom Café at 10.30am.

● Bishop Bob of Crediton comes to Branscombe Church on Saturday, May 5th at 3.30pm on a final visit to dedicate the new toilet. The bishop retires in October.

# Power and genius of the Chinese

**THE incredible story of the Chinese treasure ships which sailed the world during the Ming period in 1421, 70 years before Columbus, was the subject of the Axminster Ladies Phoenix Club meeting at the United Reformed church.**

Also on show was an exhibition and table of Chinese goods and other items, including reproductions of the terracotta warriors.

Lecturer Tony Simpson described hearing of the treasure ships when visiting the Ming Tombs in Beijing, where statues of exotic animals brought from Africa can be seen.

Tony looked into research by former Royal Navy Commander Gavin Menzies, who claims to have followed the route taken by the treasure ships across the Indian Ocean to Africa and then allegedly to America and Australasia.

"It is an incredibly story which I should warn has been disputed by western historians," said Tony.

The Chinese themselves do not boast of it but the observatories and other inventions from that period can still be seen. And after all, the Chinese invented paper, wood-block printing, gunpowder and the compass, and they knew about longitude.

They also undertook extensive voyages long before any of the European voyages of discovery, almost 200 years before Drake.

"Indeed, Menzies claims the Europeans relied on Chinese maps. Columbus was not lost and knew he was going west to a new world because

the Chinese had done it decades before," said Tony.

Unlike the Europeans, it is said the Chinese did not engage in the slave trade or extract gold using slave labour.

The orders of the Ming emperor were to trade and obtain tribute and ambassadors, so building the future prosperity of China. True or not, that is what is happening today.

Tony said whether or not there was sufficient proof for the voyages to America, many authorities agreed that many treasure ships were built and went as far as India and Africa.

Describing his visit to the Birds' Nest Stadium just after the Olympics, Mr Simpson said: "The Chinese once again discovered the world and the world discovered them."

Like it or not, they are currently bank-rolling the US economy and have taken over the British role as the 'workshop of the world'. We may not like this but there is a huge market for their goods.

China, which is experiencing the problems of unprecedented growth which will impact on the world, must also evolve its village level democracy.

Tony was thanked by chairman Lesley Frankau, who presented a contribution to the Child Poverty Action Group charity.

Tony will next speak on Friday, April 13th at 7.30pm at the Senior Citizens' Club Axminster. His subject will be "Viva Juanita: The story of a Suffragette and Mayor Juanita Maxwell Phillips".

## First sighting of a swallow

**THE first swallow has been seen! Ian Waite, bird spotter extraordinaire, has emailed me to say that he saw a swallow flying low over Seaton marshes on March 20th and has also had a few sightings of sand martins in the same area.**

No sign of a swallow here as yet but it will surely not be long before the first pair swoop into the barn. Incidentally, Ian also saw, on March 3rd, a stone curlew, again on the Seaton marshes where it spent the day before travelling on. The last time one of these birds was seen at this location was five years ago in April.

The astonishing week of cloudless skies and summer temperatures has swiftly transformed the countryside. Hedges are greening up, blackthorn is in flower and bird life is busy with domestic duties. The sun has also lured out the first butterflies. I have seen peacocks, red admirals, several tortoiseshells and, astonishingly, a speckled wood, a butterfly I would not expect to see until May.

Now, here's a strange encounter. One evening last week, walking with my Labrador along the side of a steep hill near the village of Stoke Abbot, I came across a dead polecat ... or was it?

Dead about three or four days, the animal was around 15 inches in length with dark brown fur, yellow belly and yellowish head. However, the true polecat has a white mask appearance to its head and I can only suppose that this animal was perhaps a polecat-ferret cross. There was no apparent reason for its demise and no sign of injury. A puzzle. However, a gamekeeper near Chideock recently told me that he had come across several polecat-like animals but could not be sure of their identity.

Good to learn that the Devon Wildlife Trust will be holding a free Wildlife Festival in the centre of Exeter on Cathedral Green on Saturday, April 28th to mark the charity's 50th anniversary.

Taking place between 10am and 4pm, there will be a record number of exhibitors including Exmoor Zoo, South West Lakes Trust, the Devon Bee Keepers Society, Wild Aid and Pennywell Farm. The Festival will kick off with a parade of giant bugs, fish and animals through the City centre followed by the official opening on the Green. There will be numerous activities for families and children, including puppet making, face painting and the chance to check out the latest in binoculars and scopes.

If you'd like more information on the Festival go to [www.devonwildlifetrust.org](http://www.devonwildlifetrust.org), while anyone who would like to volunteer to help on the day should contact Jo Pullin on 01392 279244.

Sadly, the recent fine weather has brought out, once again, those moronic creatures who get some sort of esoteric thrill from setting light to commons and heathland in order to create havoc and destroy natural wildlife. Upton Heath, which was severely damaged by arson last June, was again set on fire a few days ago. Fortunately, the blaze was quickly spotted on the central part of the Dorset Wildlife Trust reserve and firefighters swiftly brought it under control, although an area the size of a football pitch was gutted. This was an area which escaped last year's disastrous fire.

A Heathwatch scheme now involves local people to assist the wardens and spot any suspicious behaviour or potential problems. Volunteers are being trained and the scheme has been made possible by the Upton Heath Appeal fund which now stands at over £150,000. If you live near Upton Heath and would like to volunteer for Upton Heathwatch ring 01202 692033 or go to [www.dorsetwildlifetrust.org.uk/heathwatch](http://www.dorsetwildlifetrust.org.uk/heathwatch).

Lastly, a reminder that the Blackdown Hills AONB team have just launched their programme of outdoor activities for the spring and summer.

## Members visit refurbished city museum

**MEMBERS of Colyton Women's Institute were enthused to visit the refurbished Royal Albert Memorial Museum in Exeter following a talk by a volunteer from the museum.**

Following extensive work on the museum (it was found it had been built without foundations and inadvertently over a Norman ditch) the bright new layout should afford interest to many.

Lottery funding has transformed the facilities and also built "The Ark", which has suitable atmospheric conditions to store the large number of items owned by the museum. Joy Burley gave a vote of thanks.

The president, Brenda Clark, announced that members would be celebrating their 85th Birthday with a tea at Burrow Gardens for their August members' meeting.

There would also be a coffee morning and exhibition of craftwork at Colyton Town Hall on June 15th. The president also displayed the institute's new banner to be used at this event.

Joy Burley reported that the Christmas parcel of knitted goods had finally been received in Zimbabwe and members were asked to keep knitting. Margaret Martin provided a comprehensive report on the Shelter in Honiton and members were asked to continue their donations.

## Talk on fuchsias

**AT their March meeting members of Honiton Afternoon Women's Institute welcomed Katharine Murray from the Sundial Garden in Offwell, who gave an illustrated talk on hardy fuchsias.**

She said that these plants came mostly from South America. They come in a variety of beautiful colours, shapes and sizes, some only a quarter of an inch long.

Katharine also gave advice on the growing of fuchsias and explained that they could be propagated by taking cuttings from the tips of the growing stems.

It was a most interesting talk and much enjoyed by a very well attended meeting.

At the next meeting on April 16th at 2pm in the Methodist chapel, Lucy Chapple will be speaking on podiatry and chiropody.

## Auto Solutions celebrates it's first anniversary

Auto Solutions is celebrating a very successful first year in business. Since opening last April the business has gone from strength to strength. Auto Solutions has built a fantastic reputation based on the sound advice offered by their expert technicians, and the friendly atmosphere which together reflect their professional image.

We can now offer recovery, valeting and have invested in the most up to date diagnostic equipment so we can accommodate all the latest models. We have also been accepted as part of the RMI (Retail Motor Industry) which ensures quality and high standards throughout.

When asked about his first year in business owner Paul DeBono said 'I am thrilled with how the business has developed over the past year, not only have we built a reputation as an efficient, friendly and professional garage but we have expanded.

I would like to say a huge thank you to my girlfriend Sarah Spiller, my in-laws Mike & Jean Spiller and my parents Tony and Janet DeBono, and also family without whom none of this would have been possible. I'm now looking forward to the future and many more years as successful as the last.'

## Testimonials

*"Over the last year I have called on Auto Solutions for advice and servicing and they have been more than happy to accommodate and fit me in even at short notice. I know I can count on expert, honest advice every time. Their professionalism and workmanship is outstanding and I have not hesitated to recommend them."* **Scott Davidson**

*"I have been taking my two cars to Auto Solutions since it opened. The Service I have received has been amazing and my cars run better than they ever have. Nothing is too much trouble including picking me up from Exeter when my car broke down, being lent a car straight away and a courtesy wash for my car when I picked it up. Even the bill was a pleasant surprise. I can see why this garage is going from strength to strength and I'm so glad I found it."* **Jill Park**

*"When the team at Auto Solutions says "no problem" they mean it. In the last year, whether maintaining my classic sports saloon, my wife's city car or my sons estate car Auto Solutions has provided an enthusiastic, efficient service at affordable prices."* **Chris Davies**

*"Over the past year I have had my vehicles maintained and valeted by Auto Solutions. Every time I visit the garage I receive a warm welcome, professional service and most importantly realistic pricing! We recently purchased a new vehicle from them and would recommend to anyone to use them. Congratulations on your first year in business"* **Pete Tuffiett**

## Three great services, just one business; Alexander Paul

Did you know that in addition to the award winning and largest selection of French country antique tables available on the inter-net, Alexander Paul Antiques also offers a fabulous range of bespoke slate topped tables; the right size, the right colour and the right design for you?

Because you design the tables (from our easy to use online design options at [www.slatetoptables.com](http://www.slatetoptables.com)) you can be sure that you have chosen a style and size of table to suit your needs; you can choose to have your table painted to match or contrast your other furnishings..... or if you have a limed oak kitchen we can make a limed oak table to match and complement your other cabinets. If you have more traditional antique furnishings we can make a slate top table from 400 year old antique French oak, finished with a rich and deeply patinated wax. With endless options you can be sure of a quality, hand built and hand finished table (dining table, coffee table, console or serving table) that will

exactly fit your needs, and your home. Please view the wonderful range of options available at [www.slatetoptables.com](http://www.slatetoptables.com)

Having enjoyed a very busy summer we are now fully restocked with a magnificent selection of Antique French country dining tables ready for the autumn. We have stunning tables from four foot to over fourteen feet long! We have beautiful tables in Oak, Ash, Beech, Elm, Cherry, Chestnut and Walnut and all enjoy that soft and lustrous look, known as patination that only comes with age tables.

All our tables and current stock can be viewed online at [www.alexander-paul-antiques.com](http://www.alexander-paul-antiques.com)

The third service we are delighted to offer is a comprehensive antique and modern furniture restoration service. All our stock is available to see online or if you prefer you are welcome to visit us at our extensive Fenny Bridges showrooms just 3 miles west of Honiton on the old A30.

## Restoration and more...

MANOR Antiques Restorations is a family run business with 20 years experience in the restoration and preservation of antique and period furniture.

# Kids, get your skills turned into sculpture

Transport theme for youngsters

PUPILS at Musbury Primary School celebrated National Science and Engineering Week on Wednesday, March 14th by tackling various assignments.

The theme was Our World in Motion, and the infant and junior children took turns at designing transport systems which used renewable energy sources and assembling human skeletons, as well as working in groups to locate and illustrate body parts on life-size drawings of themselves.

In the afternoon the pupils worked in pairs to answer quiz questions drawn from all aspects of science and engineering.

Teachers had great pleasure in handing out certificates to all who had taken part, as well as to those pupils who achieved outstanding results in each of the tasks.

## Barn dance raises £320

A BARN dance in aid of Axminster Museum made a total net profit of £320.

The dance was held in Whitford Village Hall on Saturday, March 24th and featured popular act Long Odds and Short Straws.

EAST Devon District Council (EDDC) is calling on children and young people in the area to submit drawings that could be made into a sculpture and installed in their local park.

Designs for the sculpture should celebrate young people in the Queen's jubilee year and there is no need for participants to worry about how to make their drawings into reality because the winner will be provided with an expert local artist to work with them on the sculpture.

Anyone looking for inspiration for their artwork can go to the Thelma Hulbert Gallery, Honiton, on Wednesday, April 4th where there will be a free workshop

between 11am and 4pm.

Submitted designs will be displayed alongside the work of internationally renowned Devon artist Mat Chivers at the Thelma Hulbert Gallery between May 19th and June 30th.

EDDC chairman Peter Halse said: "To celebrate the Queen's Jubilee I wanted to run an event that would celebrate their imagination and skills.

"I would encourage children and young people to take part in this project and send us their ideas to be exhibited alongside the work of a famous sculptor and have the chance to get their idea made into a reality."

The competition is split into two age categories – one for those

aged 11 and under and another for those between 12 and 18. Each category will have a winner, which will be chosen by local art experts. The design to be made into a sculpture will be chosen from these two entries.

Schools and youth clubs across the district are being sent entry forms, or they can be obtained from Thelma Hulbert Gallery.

Designs can also be made on A4 sheets of paper with the drawing on one side and your name, age, address and phone number on the other. Entries should be posted to Jamie Buckley, Community Engagement, East Devon District Council Office, Station Road, Sidmouth, EX10 8HL by Friday, May 4th.

## Partnership's bid successful

HEART of South West Local Enterprise Partnership (HotSW LEP) has announced that its bid to become a pilot for a rural growth fund programme has been successful.

Working in conjunction with Devon County Council and Somerset County Council, the partnership has also received support

from local MPs, including MP for Tiverton and Honiton Neil Parish.

The scheme will mean that the HotSW area, covering Devon and Somerset, will become one of six pilots across the country working to improve rural economies; one of only five approved by the Department for Environment, Food and Rural Affairs (Defra).

Partnership chairman Tim Jones

said: "This funding will help to lever in significant private sector support, so it's a huge boost to our rural communities. More importantly, it opens up the potential for us to apply for a share of further funding in a £60 million fund."

More information about the HotSW LEP can be found on their website [www.heartofswlep.co.uk](http://www.heartofswlep.co.uk).

# On the gang-plank of fun with Cap'n Hugh and motley crew

**THE PIRATES! IN AN ADVENTURE WITH SCIENTISTS (U)**

**BRISTOL-BASED** Aardman Animations, the Oscar-winning creators of *Wallace and Gromit* and *Chicken Run*, discover their sea-legs in this salty escapade based on the book by Gideon Defoe.

Five years in the making, *The Pirates! In An Adventure With Scientists* showcases the extraordinary craftsmanship and dedication of director Peter Lord and his team, who have brought this colourful world vividly to life through the painstakingly slow process of stop-motion animation.

Their artistry is astonishing. Backgrounds are crammed with detail and sly visual gags that warrant a second or even third viewing.

Defoe's script is peppered with some wry one-liners and a centrepiece chase sequence down the winding staircase of a house is hysterical.

For all its dazzling qualities, there's no escaping a nagging feeling that

this madcap voyage drops anchor short of the brilliance of Aardman's earlier works.

It's the mid-19th century and Queen Victoria (voiced by Imelda Staunton) has declared war on all pirates who dare to sail around Britain's waters.

The Pirate Captain (Hugh Grant) is the leader of a ragtag group of seadogs, whose enthusiasm far exceeds his questionable ability to plunder booty.

His ship-shape subordinates include Pirate with Scarf (Martin Freeman), Pirate with Gout (Brendan Gleeson), Albino Pirate (Russell Tovey) and Surprisingly Curvaceous Pirate (Ashley Jensen), whose glaringly obvious gender is concealed behind a false beard.

Consequently, the Pirate Captain and his crew are a laughing stock, derided by rivals such as Black Bellamy (Jeremy Piven), Cutlass Liz (Salma Hayek) and Peg Leg Hastings (Lenny Henry).

To prove the naysayers wrong, the Pirate Captain sets out to capture a Bank of England treasure ship but inadvertently storms *The Beagle* and captures a young Charles Darwin

(David Tennant) and his primate manservant, Mister Bobo.

The scientist leads the pirates on a merry dance that might just end with the beleaguered captain taking home the coveted Pirate Of The Year prize.

But first they must venture to the capital without being spotted by the Queen.

"London smells like grandma!" grimaces one of the crew as they adopt a succession of silly disguises and discover the greatest treasure of all has been in their clutches all along.

*The Pirates! In An Adventure With Scientists* draws on Aardman's trademark visual style and playful sense of humour.

Grant is a snug fit for the misguided captain, and the supporting cast have fun with their slender roles, including Brian Blessed in suitably bombastic form as the Pirate King.

The script, adapted by Defoe from his book, walks the gang-plank of belly laughs and gentle emotion, although none of the characters threatens to usurp Wallace and his resourceful pooch in our affections as they sail off into a perfectly animated sunset.

## OUT & ABOUT

● **AN Easter fun day** for children will be held in Mackarness Hall, Honiton, from 10am to 3pm on Friday, April 13th.

The event is organised by St Paul's Church. Church children's worker Rose Millard said: "We will be doing different crafts and making things to take home as well as playing games and having an Easter egg hunt."

Tickets cost £2.50 per child. All snacks and materials are provided but children will need to bring their own lunch.

Registration forms will be available in schools and from St Paul's Church and need to be returned promptly as spaces are limited.

All children aged five to 11 are welcome.

Further details are available from the parish office on 01404 44035 or [www.honitoncofe.org](http://www.honitoncofe.org)

● **PARENTS** at Monkton Wyld Kindergarten are hoping to raise funds with a table-top sale of clothes, toys, books and equipment. The sale will be held at Uplyme Village Hall on May 12th from 10am-noon.

Anyone wishing to book a table or donate a raffle prize should ring Daisy on 01297 20798.

# Actors, please get into Spirit

THE Spirit of Ottery, one of Ottery Community Theatre's most ambitious ventures, is back on track and seeking more actors.

The much-anticipated production was originally planned for performance in 2011 to mark the 25th anniversary of Ottery Community Theatre's first independent production.

As a result of technical difficulties, the production has been rescheduled for May 10th, 11th and 12th.

Member Laurie Palmer said: "The six short scenes are written, the technical problems have been resolved and strong casts are in place.

"Basically we are ready to go.

"Would you like to be part of this exciting venture? There are still a few parts available.

"The Spirit of Ottery requires a large cast because six plays are being staged, four of them simultaneously.

"The plays are based on real events in Ottery's history and are performed

as near to where they happened as possible.

"The audience are guided through Ottery to view each play, adding to the magic.

"The plays bring to life amusing, intriguing and tragic events, spanning the 16th, 17th, 18th, 19th and 20th centuries."

If you are interested and would like to be considered for a part, contact Laurie or Norma Palmer on 01404 814545.

## Raising the roof with Music Fit for Queen

AXMINSTER Choral Society will host a jubilee concert, Music Fit for a Queen, drawn from anthems performed at the Coronation as well as royal weddings and funerals.

This will include such masterpieces as Parry's I Was Glad and Purcell's St George accompanied by the trumpeters and timpanist from the Salamanca Band of 6 Rifles in Exeter.

Anthems will be interspersed with readings, recollections and poems. The concert will be supporting two charities, Care for Casualties (The Rifles) and The Baton (founded in Honiton by Alan Rowe MBE).

The concert will be held in the Minster Church, Axminster, at 7pm on Saturday, May 26th.

For details call 01404 881838 or visit [www.axminsterchoral.co.uk](http://www.axminsterchoral.co.uk).

## Workshops

EXETER'S Phoenix Centre is holding Easter workshops.

An origami flowers workshop will take place on Wednesday, April 4th between 10.30am and 2.15pm for eight to 11-year-olds. Parents are welcome and places cost £15 per person.

A printing workshop will teach the art of lithography on Thursday, April 5th from 10.30am to 12.30pm for those aged 12 and over. Places are limited and cost £15 per person.

Tickets for these events can be booked online at [www.exeterphoenix.org.uk](http://www.exeterphoenix.org.uk).

## PENNYS SPRING MARKET UPDATE

Mark Goodenough, Associate Director of Pennys Seaton Office discusses the local property market and what the next few months may have in store.

### **Q. How has the market performed so far in 2012?**

We have seen a strong level of instructions throughout this year which has given buyers a wide choice and selection. The appetite from buyers is particularly strong upto £500,000 with character properties proving ever popular.

### **Q Is there still a good supply of buyers in the Seaton market?**

Very much so, with the strength of the market in London and the South East generally continuing, buyers looking on a national level are increasingly aware of the excellent value that East Devon offers. This includes, of course, not just Seaton but the surrounding villages including Beer, Colyton, Musbury, Whitford and Colyford.

### **Q Tell us more about the Seaton team?**

We have a highly experienced, dynamic team with strong local knowledge covering both residential and commercial sectors.

### **Q How do you see the market progressing in 2012?**

We are seeing an increase in demand now we are moving into the traditionally busier period as buyers look to reinvest their cash in the property of their dreams. The market remains price sensitive with a wide choice available to buyers and as the mortgage market appears to be improving this should all aid confidence. Going forward beyond 2012 it will be interesting to see how the proposed new build development adjoining Tesco's will play a part in the town's future.

### **Q Is now a good time to sell our property?**

Yes is the simple answer! As discussed earlier, priced correctly and with the right marketing properties are moving. Certainly, I would agree that the pace of the market is slower with buyers taking longer to sell their existing properties and the number of viewings may be lower but remember the old adage 'You only need ONE buyer!'

### **Q How do most buyers register with Pennys Estate Agents?**

Many people will register on line through Rightmove, Prime Location or Findaproperty but a strong percentage will call us or visit our offices (we open 8.45am-6pm), including our new office in Southernhay, Exeter as they still like the personal touch and to discuss their search in detail. In fact, as part of the Homesale Network we are linked to 150 other independent agents across the UK which constantly feed us buyers.

To discuss your property requirements in detail or to book a no obligation, free valuation, please call Mark on 01297 22224, email him at [mark@pennys.net](mailto:mark@pennys.net) or pop into the office at 12/13 Cross Street, Seaton.

## AXE CLIFF GOLF

THE annual meeting of the Seniors' Section was held in the Club House.

This was preceded by a 15-hole stableford for the Quarterly Cup, which was won in runaway style by Dave Weston (23) with 36 points.

Second was Jack Bannister (24) on 31 points while two players returned scores of 30 points with third place on countback going to Mike Tones (16) and Alan Vincent (18) was the unfortunate player to miss out.

After the prizes for medals and stablefords over the past three months had been presented, the out-going captain, Peter Knighting, thanked all who had assisted him throughout his year in office before handing over to Rob Grove.

Several points arose for lively discussion during "any other business", including a change to the Seniors' Open in May from a two-ball better ball event to a three-man team.

Finally Rob mentioned that his charity for his period in office would be Hospiscare.

### Main Club

The March Medal was played recently.

The winner of Division One was Theo Boalch (12) with a net 69. Second place went to Andrew Hellier (70) with a net 70 and in third place was his father Cyril Hellier (12) with a net 72.

The Second Division winner was Stuart Dickson (26) with a net 67, in second place was Peter Smith (16) with a net 68 and taking third place was Peter Petherbridge (13) with a net 70.

### Ladies' Section

The ladies played for the March Stableford in glorious sunshine. The winner was Margaret Brown (27) and in second place Barbara Cummings (25) beating Janet Dack (28) on the back nine.

## AXE VALLEY RUNNERS

SOME might say that every day is perfect for running.

The Sunday morning at the start of the Exe to the Axe was exceptional with a cloudless sky, bright sunshine and a cool gentle breeze.

A little more than 100 runners set off from Exmouth for the gruelling 20.3 mile race following the coast path to Seaton with the essential directions – "keep the sea on your right".

Tom Merson of Exmouth Harriers, won in a blistering time of 2 hrs 26, a full 16 minutes ahead of the next runner.

The first Axe Valley Runner home was Patrick Devine-Wright in 7th place in a time of 2:56.

After a short break Patrick had enough surplus energy to run back to Exmouth in a leisurely time of 4:30.

Robbie Holt carefully paced his race to finish strongly in 10th in a time of 3:06 with Phil Bayliss behind in 13th spot in a time of 3:10.

Jon Day was very happy with his new PB of 3:16 and 17th place.

Garry Perratt, who likes to push the boundaries, detoured with Chris Keeffe to all three trig points on the route (Budleigh Golf Course, High Peak and Weston Cliff).

They stormed to the finish in 3:28 in 27th place.

Andy Bowman and Eleanor Wood ran together for Andy's first experience of this race finishing in 3:32 and 3:33 respectively in 36th and 37th places.

Steve Retro Reynolds completed the race in just one minute over 4hrs in 66th place.

Siobhan Reddy, who also runs for Serpentine AC, was 68th in 4:05.

Thanks go to Sidmouth Running Club and all their helpers for a great occasion.

The next race, the Kilminster Kanter, is on Good Friday.

# Runners taste the glory of the new Olympic Stadium

**THREE Honiton runners decided to participate in a once-in-a-lifetime experience – to run through the new London Olympic Park and finish in the new Olympic Stadium.**

The Olympic Park Run was organised by the National Lottery as a tester event for the games and 5,000 runners were selected to take part.

As luck would have it, the unseasonal heatwave came to an end and so it was cool and ideal for running.

Princess Beatrice (running herself) got the five-mile race under way and the runners then looped around most of the venues in the park, though some were still in the final stages of construction.

Entering the stadium in the final mile involved running in a subterranean service tunnel for half a mile before emerging into the stadium with 10,000 spectators cheering competitors on, which was an inspiring experience.

Julian Gigg finished first in 384th

## HONITON RUNNING CLUB

place with a time of 34 minutes 3 seconds for the five miles. He was closely followed by Roger Saunders in 743rd place at 36:22.

Greg Axel was taking lots of photos around the course so had a more leisurely run, finishing at 42:51 as the 2352 runner to finish.

Roger and Julian found themselves rubbing shoulders with the likes of Sally Gunnell and Steve Backley at the finish.

The event no doubt tested out things and on arrival there was a huge queue through Westfield Shopping Centre to get through the airport style security but it moved fairly swiftly. Roll on July when the elite runners get into action there!

● With the weather warming up again six Honiton RC members took part in the Taunton Half Marathon, posting some great times.

First back was Vernon Gillard in 1 hour 37 minutes followed not too far behind by Nick Bradley-Carter in 1:40.

Olivia Higginson had a great run finishing in 1:47 and next back was John Burgess who was having a good run until his legs cramped up at 11 miles.

His target was 1:55 but he just missed this to finish in 1:56. Nevertheless, John was pleased as this is the longest distance he has run for 18 months.

John had passed Clare Melbourne within the first mile and was waiting for her to overtake him at any point. This didn't happen but Clare was delighted with her time just one minute after John of 1:57.

These times meant personal bests for Nick, Olivia and Clare so well done to them. Helen Davy also took part but she was running with a friend and finished in 2:13. They were treated to delicious cakes after the race, courtesy of Clare.

Wayne Spiller bravely took on the

two-lap challenge to run the full marathon. The two races start at the same time so the second lap does get a bit lonely. Wayne should be pleased with his time of 4:18.

On the same day, four Honiton runners took on the huge challenge of Sidmouth Running Club's Exe to Axe, which starts at Exmouth and follows the coastal path all the way to Seaton.

The route is all but 21 miles and took runners through Budleigh Salterton, Sidmouth, Weston beach, Branscombe and Beer.

The race boasts over 4,000 feet of climb (more than the Grizzly). Bruce Strawbridge came in first for Honiton getting his own back on Steve Davey who beat him in the Grizzly.

Bruce finished in 26th place in 3 hours 28 with Steve coming 32nd in 3:30. Judy Davey was next back and was delighted to manage not only to find her way without deviation but she finished as 3rd lady. She finished 44th overall in 3:39.

## GYMNASTICS

◆ KAISHA and Alice, and Adam and Megan, all gold medallists

# Golden gymnasts

**TWO partnerships from Honiton Gym Club have secured their place at the Acrobatic Gymnastics National Development Plan Finals after taking gold medals at the regional prelims in Taunton.**

Kaisha Dessalines-Wright (14) and Alice Hewstone (11) took the Grade 3 women's pair title and Adam Fullick (14) and Megan Jones (9) took the Grade 2 mixed pair title.

James Reddy, high performance coach, said: "It was a great start to the 2012 season, and both partnerships will now be working hard to ensure they have a good chance at the national finals in Stoke on Trent in May.

"Kaisha and Alice have improved tremendously over the past year and they put in consistent performances over both routines finishing a full mark ahead of the second placed pair.

"Adam and Megan were on top form too, and out of more than 130 partnerships competing on the day they scored the third highest technical mark."

Both partnerships train a minimum of ten hours each week at Honiton Sports Centre.

Adding to the club's success, silver medals were won by grade 1 women's pair Francesca Cade and Emily Pack, who have qualified for the inter-regional finals in Southampton later this month.

Bronze medals were taken by grade 2 women's trio Michaela Jones, Lauren Davey and Arabella Crandon-Griffiths.

A host of other gymnast also competed excellently for the club with many narrowly missing out on the medals.

James added: "The club has grown so much in the past couple of years and we now have 140 members, so

we have a huge number of gymnasts eligible to compete. It's great to give so many children the opportunity to perform and display their skills, but it's equally satisfying to bring home a handful of medals."

Honiton Gym Club now runs a much wider range of sessions for younger children and is particularly looking for active four to six-year olds to join its Monday evening sessions (5-6.30pm). Ottery St Mary 3**GALMPTON swept aside the Otters as they maintained their unbeaten record in 2012.**

The Otters were already 3-0 down before Ben Vine pulled one back with a terrific long-range strike.

Galmpton then added a further two goals before Jeff Sanders made it 5-2. The impressive Vine added a late goal to add some respectability to the scoreline.

Okehampton 2  
Axminster Town 0

Yet another spirited performance by the Tigers who have fought a resolute campaign despite poor results on the pitch.

The Tigers started well and Okehampton goalkeeper Harry Geering was the busier man in the opening half.

It was against the run of play that the home side took the lead with a goal from Will Hawkins.

The Tigers kept pressing after the break but hopes of picking up their first point of 2012 were dashed with another late goal from Dave Youldon.

## PERRY STREET LEAGUE

## Tight at the top for last matches

**THE Division One title race is heading towards a thrilling climax as Millwey Rise cling on to their one-point lead at the top after being held to a 1-1 draw by Misterton.**

On paper, four clubs are still in the hunt for the title and promotion, with just six points covering Millwey, Shepton Beauchamp, Forton Rangers and Misterton.

But Millwey are still in pole position because they have five games to play. Shepton, who are a point adrift, have four left and Misterton three. Forton, currently

third, have only one game remaining so they are the real outsiders to finish in the top two.

"We are at the business end of the season now and when you are top and thinking about going up everyone starts to get a little nervy," said Millwey manager Shane Featherstone.

"I still think we have enough to win the league and it is sure to be an exciting end to the season."

Featherstone admitted his players were guilty of playing the occasion rather than the match on Saturday and it took a late equaliser from Sam

Dibbling, who had earlier missed a penalty, to ensure a point after Connor Fletcher had fired the visitors ahead.

Shepton kept up the pressure by winning 3-0 at struggling Norton Athletic, with two goals from Sam Murley and a third from Dan Smith.

With so few games left, Forton really needed to beat Ilminster Town Colts but instead had to share a 3-3 draw. Goals came from Craig Salter, Andrew Stevenson and Lee Richardson. Ilminster's goals were scored by Taylor Jefferson, Tim Cox and Richie Wharton.

Chard United returned to the top of Division Three after beating Drimpton 3-2 with a late strike from Marco Quedas.

"That is the most important goal he has scored for us," said Chard boss James Govier.

"It is nice to be back on top and every game is a must-win now and I can see the race for the league title going down to the last game of the season."

"I reckon if we win two of our remaining three games that should be good enough to clinch promotion. That will be job done, and if we can

go on and win the title that will be a bonus."

Chard United Reserves stay top of Division Four after beating Crewkerne Rangers Reserves 2-1 with goals from Steve Barnes and Wayne Mears.

At the other end of the league new champions Lyme Regis maintained their unbeaten record with a 2-1 win against Ilminster Town Reserves with goals from Julien Simier and Joel Gosling.

## FRESH A DEVON AND EXETER LEAGUE

Uphill task for leaders  
Seaton after 3-2 defeat**SEATON Town manager Josh Stunell has admitted that the Premier Division title may have slipped from their grasp after Saturday's defeat at Topsham Town.**

It was Seaton's second successive defeat and has seen their lead at the top cut to just three points over St Martins, who have four games in hand and must now be favourites to lift the title.

"I think I am being realistic when I say we are playing for second place now," said Stunell.

"But I have told the lads we need to win our last three games, which

By KEVIN FAHEY

[sport.pulmans@tindlenews.co.uk](mailto:sport.pulmans@tindlenews.co.uk)

certainly won't be easy, and see what happens because it is no guarantee that if St Martins win the league that they will go up.

"Both of us are having ground inspections and if they don't get approved we may still have a chance of getting promoted."

Topsham striker Ace High rocked Seaton with a well-taken hat-trick. Dan Norman and Chris Bowles scored for Seaton.

"Ace had a good game but two of his goals were free headers and for the third he caught our defender in possession," added Stunell.

"We also had enough chances to put the game to bed and just did not do the basics well enough."

In contrast, at the other end of the league set-up, Tipton St John Reserves were celebrating promotion from Division 8 after beating Tedburn St Mary Reserves 5-0.

Barry Woods scored twice and there were further goals from Curtis Winchcombe, Nick Roberts and Ash Holding to maintain Tipton's unbeaten

run – now 19 wins and three draws from their 22 games – and they only need another six points from their remaining five games to also guarantee the title.

"The reserves have done absolutely brilliantly," said first team manager Dave Strawbridge.

"Everyone at the club is chuffed with the work that reserves boss Mike Dawe has done and I know the players train really hard and deserve their success."

"To win promotion with five games still to play is superb."

In Division One Tipton's first team still have a chance of finishing third

after beating Cullompton 1-0, with Ash Small scoring the decisive goal to leave them just three points behind Phoenix Club.

"That's taken a bit of pressure off us ahead of playing Phoenix next weekend," added Strawbridge.

In Division Two Callum Sommers scored a hat-trick as Colyton beat Halwill 5-0 to climb to eighth place – and they still have 11 games to squeeze in before the end of the season.

But Chard Town Reserves' hopes of catching leaders Tiverton Reserves suffered a setback as they lost 1-0 at Clyst Valley Reserves.

## Feniton hair's breadth from Premiership

Fresha Devon & Exeter League  
Division One  
Feniton 3 Phoenix Club 0

FENITON are within touching distance of promotion to the Premier Division after this comprehensive victory over rivals Phoenix Club.

Manager Mark Kingdon said after the match: "I reckon two more wins from our remaining four games would be enough to see us go up."

The win stretched Feniton's lead over Phoenix to 10 points and while the Exeter-based side have a game in

hand, the biggest danger could be from Bow AAC in fifth place.

While they trail Feniton by 13 points, they still have nine games remaining, although that sort of fixture over-load brings with it problems of injuries and fatigue.

"It will be a big ask for Bow and I would be surprised if they could win all of those games when they start playing three times a week," added Kingdon.

Feniton's remaining programme includes matches away to Wellington (April 7th) and Exeter University Reserves (May 12th) plus home fixtures against champions Exmouth

Amateurs (April 14th) and Cullompton Rangers (April 30th).

To clinch promotion a year after almost slipping into Division Two would be a tremendous achievement for the club.

"I brought in a few new players after last season and it has come together for us really well," added Kingdon. "We have some very good young players and that is very encouraging for the future as well."

Goalless at half-time, Feniton stepped up a gear after the break and two goals from Charlie Selly and a third from Ben Allen clinched victory.
